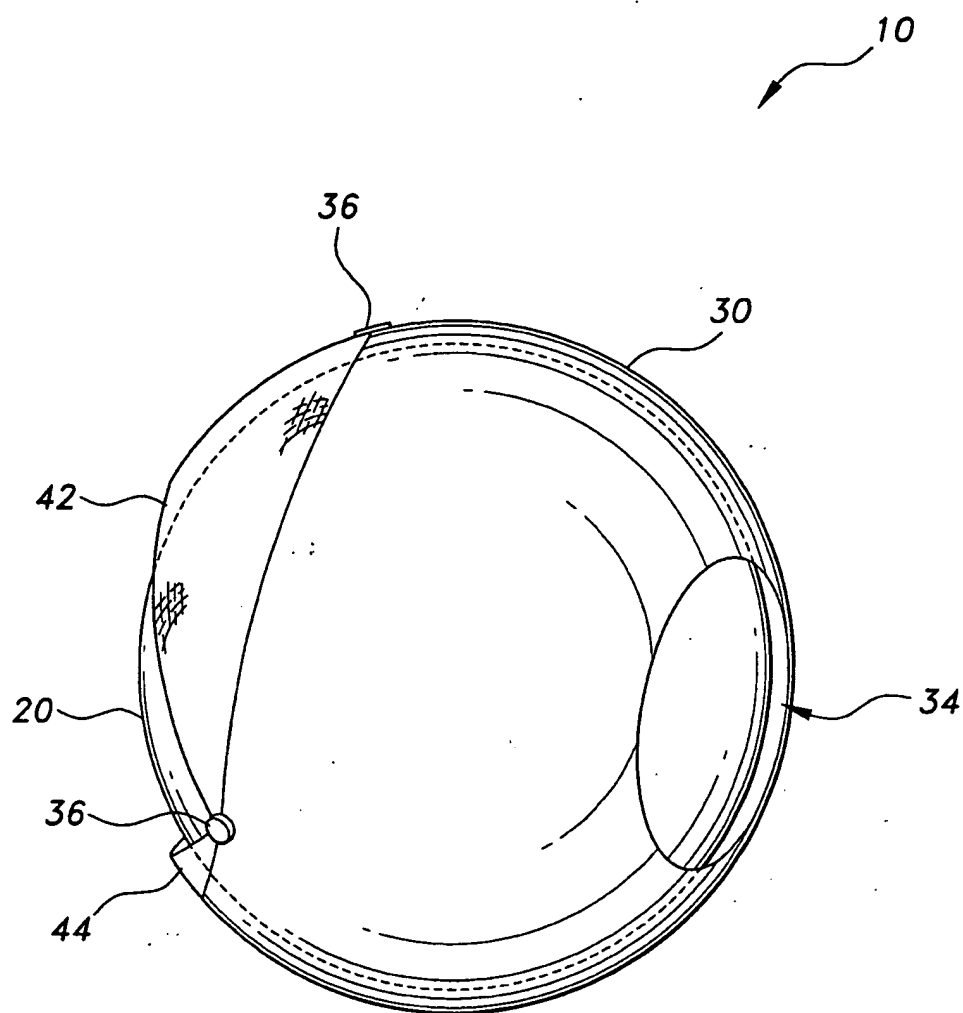

FIG. 2

FIG. 1 is a schematic diagram of a circular device, likely a lens or mirror assembly. The diagram shows a central circular element (36) surrounded by a larger circular structure (20). A dashed line (30) indicates a boundary or surface. A cross-hatched area (34) is shown on the left side. A dashed line (42) is shown on the right side. A dashed line (44) is shown at the bottom. A dashed line (50) is shown on the right side. A dashed line (52) is shown on the right side.
